All of the mortgages featured are available for re-mortgages. Additionally we offer two specific fee assisted options. Moving your mortgage to Metro Bank will result in legal and valuation costs. Metro Bank will pay these costs as outlined below:

#### Legal Assist

We will appoint a solicitor from our panel to act on behalf of Metro Bank so, if you decide not to use the solicitor we choose or take independent legal advice, this will not be covered under our free legal fees scheme. There are some items we do not pay for, these include, but are not limited to: mining and unusual search fees, change of name on title, transfer of equity and first registration of title. The legal assist is available up to a maximum property value of £1.5 million.

### Early repayment charges (1% for each year of initial rate remaining)

You can pay back the capital part of your loan by making "overpayments". These are amounts in excess of your monthly mortgage payment. An early repayment charge may apply if you make overpayments whilst you are paying the initial rate on your mortgage. Where this does apply, an early repayment charge is payable if the total overpayments in any one year exceed 20% of the amount which you borrowed. The early repayment charge is a percentage of the repaid amount, calculated as follows:

Years left on initial rate	Between 4+5	Between 3+4	Between 2+3	Between 1+2	1 or less
Percentage of overpayment amount	5%	4%	3%	2%	1%

For example, if you take out a five year fixed rate mortgage on 1 December 2016, then until 30 November 2017 you have between 4 and 5 years left on the initial rate. An early repayment charge in this period is calculated as 5% of the amount of your overpayment.

### Loan to Value Limits

Maximum 85% - Up to £1,000,000 loan amount	Maximum 80% - Up to £1,500,000 loan amount
Maximum 75% - Up to £2,000,000 loan amount	Maximum 70% - Up to £2,500,000 loan amount
Maximum 65% - Up to £3,000,000 loan amount	Maximum 60% - Up to £10,000,000 loan amount
Maximum 50% - Over £10,000,000 loan amount	

### Fixed rate loans over £3m and tracker rate loans over £5m by arrangement

\*\*"Loan to value" is the amount you want to borrow described as a percentage of the total value of the property. For example, if the property is valued at £100,000 and you wish to borrow £75,000, the loan to value is 75%. Bank of England Base Rate, currently 0.25%.

\*\*The APRC is calculated using the following scenario: property value of £600,000; loan size of £400,000. The mortgage has a 25 year term and is repayable on a capital and interest basis. Fees total of £1,849 are not part of loan amount. For mortgages between £2m and £3m the APRC is calculated using the following scenario: property value of £3,000,000; loan size of £2,000,000. The mortgage has a 25 year term and is repayable on a capital and interest basis. Fees total of £7,249 are not part of loan amount.

\*With effect from 01 September 2016.
