Buy To Let Mortgage Range (continued)

Our re-mortgage offers

All of the mortgages featured are available for re-mortgages. Additionally we offer two specific fee assisted options. Moving your mortgage to Metro Bank will result in legal and valuation costs. Metro Bank will pay these costs as outlined below:

Legal Assist

We will appoint a solicitor from our panel to act on behalf of Metro Bank so, if you decide not to use the solicitor we choose or take independent legal advice, this will not be covered under our free legal fees scheme. There are some items we do not pay for, these include, but are not limited to: mining and unusual search fees, change of name on title, transfer of equity and first registration of title. The free legal assist is available up to a maximum property value of £1.5 million.

Valuation

We will carry out a standard valuation for our purposes up to a maximum property value of £1.5 million.

Some charges to be aware of

- Conveyancer's fees
- Valuation fee per property (see table below)
- Other fees may apply after you take out your mortgage (please see our Tariff of Charges for more details)

Value up to	£200,000	£300,000	£400,000	£500,000	£600,000	£750,000	£1m	£1.25m
Valuation fee	£200	£300	£400	£500	£600	£700	£800	£1,000

Value up to	£1.5m	£1.75m	£2m	£3m	£4m	£5m	over £5m
Valuation fee	£1,250	£1,500	£1,750	£2,000	£2,500	£3,000	By negotiation

The valuation is for Metro Bank's use only

Early repayment charges (1% for each year of initial rate remaining)

You can pay back the capital part of your loan by making "overpayments". These are amounts in excess of your monthly mortgage payment. An early repayment charge could apply if you make overpayments whilst you are paying the initial rate on your mortgage. In this case, an early repayment charge is payable if the total overpayments in any one year exceed 10% of the amount which you borrowed. The early repayment charge is a percentage of the repaid amount in excess of the permitted "Allowed Limit" detailed above.

Years left on initial rate	Between 4+5	Between 3+4	Between 2+3	Between 1+2	1 or less
Percentage of overpayment amount	5%	4%	3%	2%	1%

For example, if you take out a five year fixed rate mortgage on 1 October 2016, then until 30 September 2017 you have between 4 and 5 years left on the initial rate. An early repayment charge in this period is calculated as 5% of the amount of your overpayment.

*Rates are not available for professional investors.

***Loan to value" is the amount you want to borrow described as a percentage of the total value of the property.

***The APRC is calculated against a property value of £550,000, with a loan size of £350,000 and a mortgage term of 25 years, repayable on an interest only basis with fees of £1,849 which have not added to the loan. For mortgages over £2m to £3m the APRC is calculated using the following scenario: property value of £3,500,000; loan size of £2,500,000. The mortgage has a 25 year term and is repayable on an interest only basis. Fees total of £7,749 are not part of loan amount.

Bank of England Base Rate, currently 0.25%
